- 2) For the 2017-2018 Season Sask Volleyball will not be working with HTG and has secured hotel blocks independently with hotels in our host locations. The hotels are excited to be working directly with Sask Volleyball and are offering our teams great rates. Please use the hotels that have been selected by Sask Volleyball as it directly benefits the association and provides great rates for your team with all the work already being done for you – just select your hotel from our list and make your reservations!
- 3) Division 3 Open Entry Category for Provincials – Sask Volleyball will be offering teams a chance to enter Division 3 at Provincials without having to compete in 2 sanctioned tournaments in their age group. The teams will still be required to pay the full membership fee, as well as the full entry fee for the Provincial Championship.
- 4) 16U Women's Net Height has gone up to 2.24m.
- 5) 16U Men and Women teams are now allowed to receive the serve using an overhand pass, in addition to 17U and 18U Men and Women teams.
- 6) All coaches are required to have a PRC (Police Records Check) completed and submitted to Sask Volleyball before their registrations will be accepted, as per our organizations updated Screening Policy.

I'm looking forward to another great volleyball season,
