

Coach Evaluators Required

Sask Volleyball is looking for coaches across the province to become certified Coach Evaluators. Certified Evaluators are now part of Volleyball Canada's new coaching certification pathway. In order for a coach to receive their Advanced and eventually Development Coach Evaluation component of their certification, they will need to work with a certified Coach Evaluator in person or by video.

In order to become a certified Coach Evaluator, coaches will need to complete the following:

- Core Training for Coach Evaluators – October, 23, Saskatoon, Registration fee \$50.00.
- In Person Workshop – December 11, Saskatoon. No registration fee.
- Co-Evaluate a coach – club season.
- Evaluate a coach on your own – club season.
- Preference to Advanced (old Level 2) and Performance (old Level 3) certified coaches.

Coach Evaluators will receive an honorarium when evaluating a coach.

We would like to have a Coach Evaluator in each large club and from each Sport District.

If you would like to register or have further questions, please contact Myron – Myron@saskvolleyball.ca or 306-975-0879.
