

**Overview:**

Each year, the Sask Volleyball receives funding from the Saskatchewan Lotteries Trust Fund to support sport development, which is derived from the proceeds of the sale of lottery tickets in Saskatchewan. This funding, organized in what's known as the Membership Assistance Program (MAP), is available to clubs, teams, and organizations throughout Saskatchewan who offer volleyball programs that allow individuals to participate in the sport of volleyball at the grassroots level. Sask Volleyball determines funding categories, funding levels, and the specific criteria to meet in order to be eligible for funding. This information is then communicated to the membership through the Sask Volleyball website, direct electronic messaging, and the annual Program Guide.
