3. Weather

Before Match:

Notice of cancellation will be given minimum 1 hour before the first scheduled match

During Match:

- i. If lightning occurs during scheduled matches, matches will be stopped;
- ii. A 30-minute grace period will be given for lightning to stop and games to continue;
- iii. If lightning continues longer than 30 minutes, games will be cancelled and, if possible, replayed at a later time

4. Notice of Cancellation from Team

At least 24 hours notice must be given to the league administrator if a team cannot attend a scheduled match. If less than 24 hours is given, the offending team will *automatically* forfeit the match.

When 24 hours notice is given, it is the responsibility of the team who cannot attend the match to reschedule the match during an open court time with their opponent. If the opponent does not agree to reschedule (or a time cannot be chosen), the team who did not attend the original match will forfeit and no make-up match will be played.

** Check with league administrator for open times – do not come to the courts on your own.*

5. No Show

If a team does not attend a scheduled match and 24 hours notice is not provided, a fine will be charged to the team for every night that is missed (see Section 7).
