C. Tie Breaking

Based on Volleyball Canada Rules, if two or more teams are tied at the end of round robin play, the following criteria will be applied in order:

- a) The team having the best ratio of won/lost matches, considering matches between tied teams, will be ranked higher;
- b) The team having the best ratio of won/lost games, considering matches played between the tied teams, will be ranked higher;
- c) The team having the best ratio of won/lost games, considering all matches of the round, will be ranked higher;
- d) The team having the best ratio of points for/against, considering games played between tied teams, will be ranked higher;
- e) The team having the best ratio of point for/against, considering all games played during the round, will be ranked higher;
- f) As determined by the Organizing Committee (e.g. extra game, toss of coin, etc.)

D. Match Preparation

- Please have your team ready to play on time. Once all teams have played one match, you will have only a five-minute ball warm up on court before the start of your next match. If the tournament gets behind schedule referees may limit on court warmup to three minutes, providing both teams have already played a match that day.
- Teams need to be ready to play on time, even if your court is behind schedule. We may move your game to another court.
- All games shall start on time as scheduled. Failure of a team to be ready to play at the scheduled time will be penalized by the loss of the first set by forfeit. A further 15 minutes will be allowed before the forfeiture of the second set.
- Teams must supply their own warm up balls.
- Coaches please fill in your rosters and sign the score sheet prior to each match.
