

SASK VOLLEYBALL HALL OF FAME

Inducted 2015 - TEAM

1980-1981 University of Saskatchewan Huskiettes

The 1980 – 81 Saskatchewan Huskiettes were one of the finest teams in the thirty-three year history of volleyball at the University of Saskatchewan. The Huskiettes were crowned Canadian Interuniversity Athletic Union (C.I.A.U) women's volleyball champions for the third consecutive year, the first C.I.A.U school to capture the women's title in volleyball three times in a row.

In regular season play the Huskiettes won the league with a nineteen win one loss record and for a third straight year defeated U.B.C. in the playoffs to win the C.W.U.A.A. Championships.

The C.I.A.U.'s were a showdown. Even though the two-time defending National Champion Huskiettes had dominated Canada West conference volleyball throughout the season the implacable University of Ottawa Gee Gees, with many national team recruits, were still the heavy favourite to win. The Huskiettes swept past all others into the final where they defeated the University of Manitoba three games to one, capturing the Canadian Championship for a history making third straight year with a perfect C.I.A.U. record and overall twenty-six win one loss record.

Installed in the Saskatchewan Sports Hall of Fame on June 22nd, 1985
